Looking for space? This property has an oversized 2 car garage with 9 foot doors that can fit 4 cars and/or all those big toys you have as well as a workshop area. Home sits on a large lot in a peaceful setting. There is a nice, covered patio area between the garage and house. Step inside to nice spacious rooms. First floor full bathroom with walk in shower. First floor laundry area. Enclosed porch area for additional living space or storage. Newer windows. New water heater. Brand New Upgraded 220-amp electrical box in the house and 100 amp in the garage. Updated wiring in the dining room and upstairs hallway. This home is in move in condition. It is worth the drive!
